South Torrance High School's class of 1970 held its 50+1 year reunion on October 1-2, 2021 at the Ayers Hotel.

With ten different elementary schools feeding SHS, the elementary school meet-ups created a fun, casual atmosphere to chat and reconnect in small groups. Many of our classmates went through school together from K-12, forming lifelong and lasting bonds.

Saturday Night Reunion Extraordinaire

This reunion was going to be like no other.

The wait for this evening was finally over. All dressed up and ready to go, we got the party started. Attendees checked in, had their portrait picture taken and found their seats. Everyone received a program with the SHS fight song and Alma Mater.

Rob Andrews was our master of ceremonies. He recognized classmates who served in the armed forces and our healthcare heroes. He even asked past reunion committee members to stand and be recognized for their former efforts.

Saturday Night Reunion Extraordinaire...

Certainly a highlight of the evening was the current SHS choir, 28 students and their director, Rebecca Pierce, singing for us our school 'Fight Song', 'Alma Mater' as well as one of their own favorites called, 'Go The Distance'.

The phrase "last roundup" was recognized as being relevant for the event, so innovative focal points were set up around the room to spark interest and make things more engaging. There was a 'Selfie Station' with a cool background for people to make lasting memories; a 'Graffiti Wall' for classmates to leave a few remarks; a slideshow with hundreds of photos to bring back high school memories; carefully selected music from our high school years; a memory board to remember those who are no longer with us.

Saturday Night Reunion Extraordinaire...

In addition to good food and good company, classmates at all the tables won prizes. Someone from each table landed the centerpiece Spartan helmet.

Looks like lucky Phil Jay won the helmet and some sunglasses

Bob Walpole won the prize at his table for the furthest distance traveled, coming from Holland.

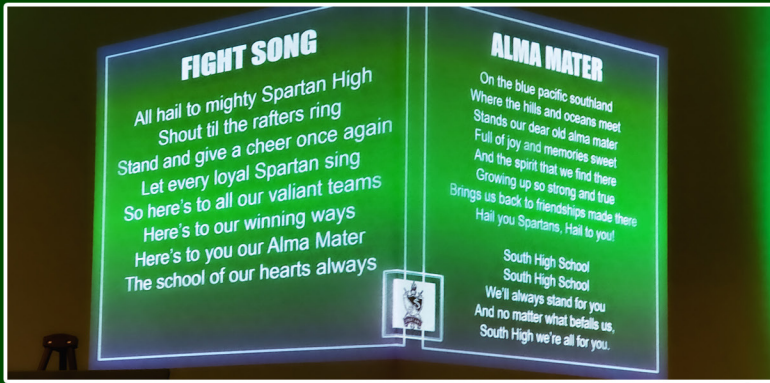

Jean Davies probably has the most grandkids with 28, perhaps followed by Ronda Breedlove with 16 (so far).

The evening also mixed in a little dancing, followed by a very bitter sweet 'farewell to all' at 11pm

BEHIND THE SCENES

Planning

Planning for the event began early in 2019 with the original date set for October 10, 2020. As planning proceeded, so did the threat of the new COVID-19 virus. In March of 2020, the pandemic forced the country, and the world, to take drastic isolation measures and our hopes of having a reunion in 2020 were quickly dashed. In May of 2020, the decision was made to push the reunion out a whole year to October 2, 2021 and classmates were notified regarding the disappointing news.

The reunion committee was now in the unique position of having an extra year to plan the big event. The goal was to make this the best reunion in history. 😊 After seeing classmate attendees in such good spirits and later hearing their positive feedback at its conclusion, we knew our goal was achieved.

BEHIND THE SCENES

Ballroom Prep

When the weekend of the reunion finally arrived, ballroom setup actually started on Thursday and lasted through Saturday. Once the hotel set up the room, decorations were placed as had been planned over the previous months. The biggest last minute effort was the blowing up and assembly of balloons. Lynda Tanner led a team of ready and willing volunteers who finished the job in no time. No helium was used, but they had a little air machine to blow up balloons. The end result was seven balloon bouquets and a massive balloon arch.

Ballroom Prep

Your Reunion Committee - Four Insane Spartans

Rob Andrews formed the reunion committee by calling for volunteers on Facebook. Three classmates joined the team (Dan Carlson, Shelley Rygg and Buz Quarles) and began sharing ideas.

Countless hours were spent on the phone, and frequent Zoom meetings were held where all kinds of things were discussed, starting with where the event would be held. The Ayers hotel was chosen for its charming, intimate setting which seemed like it could encourage renewal of old friendships, and possibly the kindling of new ones.

Little by little, numerous details were defined to support the grand vision for the weekend events. The combined talents of the team were complimentary, resulting in some pretty creative outcomes! With very little money and lots of time, committee members had a lot of fun pulling everything together.

On behalf of the SHS Class of 1970

It didn't all ... 'JUST HAPPEN'!

We'd like to acknowledge those who volunteered to make it so. The reunion committee was amazed at the generosity of many of our fellow students who made donations, some quite significant, to help us put on the reunion weekend in the manner we all had hoped for.

We would like to express our gratitude to the following classmates who 'answered the call' to help fund our 50+1 reunion...

Pat & Kathy Binford, Keith Brewer, Bruce Byers, Georgia Farber, Debbie French, Mark Hebson, Nancy Herrick, Nancy Hillendahl, Chuck Islander, Earl James, Michelle Margolese, Janis Olson, Dave Phillips, Gary Ransom, Mary Salatino, Greg Satterfield, Lee Snyder, Debbie Soar, Ken Steidley, Gary Stephens, Patricia Stilwell, Gary Tranbarger, Janet Lane, Richard Ulyate, Vince Vartanian, Christine Walsh, Richelle Williams

Lynda Tanner (our 'Balloon Gal') made it work with some very 'pesky' balloons.

And, not to be forgotten, her supporting cast of balloon experts. They blew up balloons, decorated the ballroom, helped with registration, prepared food and cleaned up. A Special Thanks to those Spartans who 'chipped in' at the reunion...

Susie Brown, Betty Byer, Patty Reilly, Julie Ruby, Debra Scanlon, Sue Wilson, Hia Brooks, Terese Fitzpatrick, Cindy Kimes, Rob Rankin, Jay Stone

On behalf of the SHS Class of 1970

The reunion committee wants to acknowledge their 'significant others' who were mostly behind the scenes prepping, cleaning and organizing, while their husbands were enjoying themselves!

Sue Andrews

Ace photopgrapher, all around awesome helper.
(Puts up with Rob!!)

Laurie Quarles

Was 'on it' at all times
(no job too small).

Debbie Carlson

Cookies for the choir, etc.

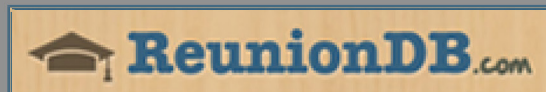

And a special 'shout out' to
Wendy Akiyama
who assisted the ladies.

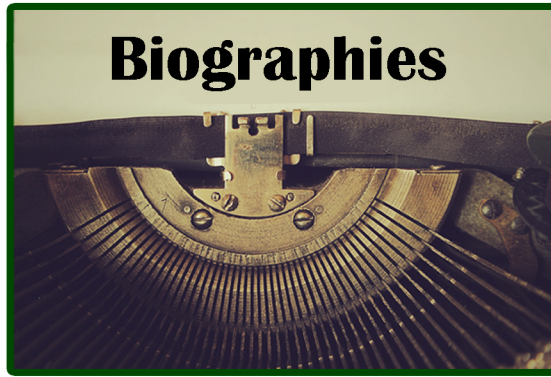

The Ayres Hotel provided our 50+1 reunion with a wonderful venue to relax and reconnect with classmates. Without the expert advice, direction, and assistance from **Lori Higgins**, the Ayres 'Director of Sales', our event could never have been the success it was. **Thank You Lori !**

Special thanks to **Tom Brown** at ReunionDB for enabling use of their Database, Marketing plan and giving us great suggestions on how to promote our event.

Tom... all your efforts are greatly appreciated

Biographies

Here they are, our classmates and their stories...

We knew back on that graduation day in June of 1970 that we were a class of great potential. As the baton was passed on to us, we ventured forth to make our places in the world. And now, so many years later many of the 'blank pages' of our lives have been filled.

Before you delve into our classmates' stories, here are a few deep thoughts to inspire you for the years that lie ahead.

*"Whatever you do, always give 100%.
Unless you're donating blood."*

- Bill Murray

"I intend to live forever. So far, so good."

- Stephen Wright

*"My therapist told me the way to achieve true inner peace is to finish what I start. So far I've finished two bags of M&Ms and a chocolate cake.
I feel better already."*
